#### Livery Familiarisation Day with Buffet Lunch and Walking Tour of the City. - Monday 17th June 2019

This event starting at 10:30am and is available to all Members of the Company and will be of particular interest for those wishing to have a better understanding of the City and the Liveries. This day has been designed to give an understanding, appreciation and enjoyment of the City, Freedom and Livery presented in a light hearted way.

There will be comprehensive information about the Life in the City of London and the Livery followed by a buffet lunch and a two hour walking tour of the City Highlights with a Blue Badge Guide in the afternoon. (Comfortable Walking shoes should be worn and the tour will end at approximately 4pm).

We are delighted that Alderman William Russell, who, subject to Election, is tipped to be the next Lord Mayor, has agreed to speak in the morning. Our Beadle, Ted Prior, will take us through the ceremonials such as 'The Loving Cup' Ceremony whilst the Master and Deputy Master will speak in more depth about the Company's history and governance.

The City of London was founded by the Romans over two thousand years ago and continues to be one of the most exciting and dynamic cities in the world. On our walk in the afternoon, we will discover the site of the Roman basilica and amphitheatre, walk down narrow medieval alleyways, visit the location where the Stock Exchange and Lloyd's of London began and see the 15th century Guildhall which survived the Great Fire of London . You'll marvel at the towering glass buildings of the financial centre, be moved by the little known memorial to heroic self-sacrifice and hear stories about the people and places which make the City of London such a unique and special place

Tickets are £35.00 and as usual Tickets will be allocated on a first come basis.

Dress: Smart casual with comfortable walking shoes. (Tip: Check the weather forecast on the day!)
